

Guide to using ZENODO

<https://zenodo.org/communities/seafoodtomorrow/>

Go to Zenodo: <https://zenodo.org/communities/seafoodtomorrow/> and **1** click Log in

The screenshot shows the Zenodo website interface. At the top, there is a blue header bar containing the Zenodo logo, a search bar, and links for 'Upload' and 'Communities'. On the right side of the header, there are 'Log in' and 'Sign up' buttons. A red circle with the number '1' and a red arrow points to the 'Log in' button. Below the header, the main content area is divided into two columns. The left column features 'Recent uploads' with two entries. The first entry is titled 'A global network of biomedical relationships derived from text' by Percha, Bethany; Altman, Russ B., dated May 11, 2018 (v4), and is a Dataset with Open Access. The second entry is titled 'Reproducibility Package for "Reproducible research and GIScience: an evaluation using AGILE conference papers"' by Nüst, Daniel, dated April 23, 2018 (v3), and is also a Dataset with Open Access. The right column contains three informational boxes: 'Zenodo now supports DOI versioning!', 'Using GitHub?', and 'Zenodo in a nutshell'.

Zenodo in a nutshell

- **Research. Shared.** — all research outputs from across all fields of research are welcome! Sciences and Humanities, really!
- **Citeable. Discoverable.** — uploads gets a Digital Object Identifier (DOI) to make them easily and uniquely citeable.
- **Communities** — create and curate your own community for a workshop, project, department, journal, into which you can

1 Log in using ORCID (recommended) or 2 sign up for a Zenodo account

The image shows the Zenodo website's login and sign-up interface. A blue modal window is centered on the page. At the top of the modal is the Zenodo logo. Below it, the text "Log in to account" is displayed. There are two buttons for social login: "Log in with GitHub" and "Log in with ORCID". A red arrow with a circled "1" points to the "Log in with ORCID" button. Below these buttons is a separator "— OR —". Underneath is a form with fields for "Email Address" and "Password", followed by a blue "Log In" button. At the bottom of the modal, there is a link "New to Zenodo? Sign Up" with a red arrow and a circled "2" pointing to it. Below the modal, a link "Forgot password?" is visible. The background of the website shows a header with the Zenodo logo and "Log in" / "Sign up" buttons. The main content area on the left lists recent uploads, and the right area contains informational cards about DOI versioning, GitHub integration, and a summary of Zenodo's features.

1 Click on Upload

The screenshot shows the Zenodo website interface. At the top, there is a blue header bar. On the left, the Zenodo logo is displayed. In the center, there is a search bar with the placeholder text 'Search'. To the right of the search bar, the 'Upload' button is highlighted with a red arrow and the number 1. Further right, there is a 'Communities' button. On the far right of the header, there is a user profile dropdown menu showing the email 'emer@aquatt.ie'. Below the header, the main content area is divided into two columns. The left column is titled 'SEAFOODtomorrow' and contains a section for 'Recent uploads'. This section includes a search bar with the placeholder text 'Search SEAFOODtomorrow' and a 'More' button. The right column features a green button labeled 'New upload' with an upload icon. Below this button, there is a section titled 'Want your upload to appear in this community?' which contains a list of instructions for uploading to the community. At the bottom of the right column, there is a section for the 'SEAFOODtomorrow' community, featuring its logo and the community name.

If you have already uploaded documents in Zenodo, they will be displayed here.

To upload publications: **1** Click on New Upload

The screenshot shows the Zenodo website interface for the SEAFoodtomorrow community. The top navigation bar is blue and contains the Zenodo logo, a search bar, and links for 'Upload' and 'Communities'. The user's email address 'emer@aquatt.ie' is displayed in the top right corner. Below the navigation bar, the community name 'SEAFoodtomorrow' is displayed. The main content area is divided into two sections. On the left, under the heading 'Recent uploads', there is a search bar with the placeholder text 'Search SEAFoodtomorrow' and a 'More' button. On the right, there is a green button labeled 'New upload' with an upward arrow icon. A red circle with the number '1' and a red arrow points to this button. Below the 'New upload' button, there is a section titled 'Want your upload to appear in this community?' which contains a list of instructions. At the bottom, there is a section titled 'Community' which displays the SEAFoodtomorrow logo and the community name.

- 1** Drag and drop your file(s), and **2** Click “Start upload”. Wait until it is uploaded

The screenshot shows the Zenodo 'New upload' interface. At the top, the Zenodo logo is on the left, a search bar in the center, and 'Upload' and 'Communities' links on the right. A user profile 'emer@aquatt.ie' is in the top right corner. Below the header, there's a toolbar with 'Delete', 'Save', and 'Publish' buttons. The main heading is 'New upload' with the dataset name 'SEAFOODtomorrow'. Below this, instructions are provided: '(i) Upload minimum one file or fill-in required fields (marked with a red star). (ii) Press "Save" to save your upload for editing later. (iii) When ready, press "Publish" to finalize and make your upload public.' The central area is a large box for file uploads. It has a 'Files' dropdown on the left and 'Choose files' and 'Start upload' buttons on the right. The text 'Drag and drop files here' is centered, followed by '— or —' and a 'Choose files' button. A red arrow labeled '1' points to the 'Choose files' button in the center. Another red arrow labeled '2' points to the 'Start upload' button. At the bottom of the upload area, a note states: '(minimum 1 file required, max 50 GB per dataset - contact us for larger datasets)'. The footer shows 'Communities' with a help icon and a 'recommended' dropdown.

Basic information

required ▾

 **Digital Object Identifier**

3 →

Optional. Did your publisher already assign a DOI to your upload? If not, leave the field empty and we will register a new DOI for you. A DOI allows others to easily and unambiguously cite your upload. Please note that it is NOT possible to edit a Zenodo DOI once it has been registered by us, while it is always possible to edit a custom DOI.

 Reserve DOI

 **Publication date ***

Required. Format: YYYY-MM-DD. In case your upload was already published elsewhere, please use the date of first publication.

Scroll down, **1** Type in the Title; **2** add all authors of the publication; and as much as possible, **3** Include the ORCID of all authors (you can register for a ORCID ID number here: <https://orcid.org/>)

The image shows a web form for creating a publication entry. It includes fields for Title, Authors, Description, and Version. Red circles with numbers 1, 2, and 3, along with red arrows, highlight specific parts of the form: 1 points to the Title field, 2 points to the 'Add another author' link, and 3 points to the ORCID ID field for the first author.

1 → **Title *** Required.

Authors *

Pesant, Stéphane	Universität Bremen	3 ID 0000-0002-4936-5209
Roberts, Murray	UEDIN	ID 0000-0003-1688-5133

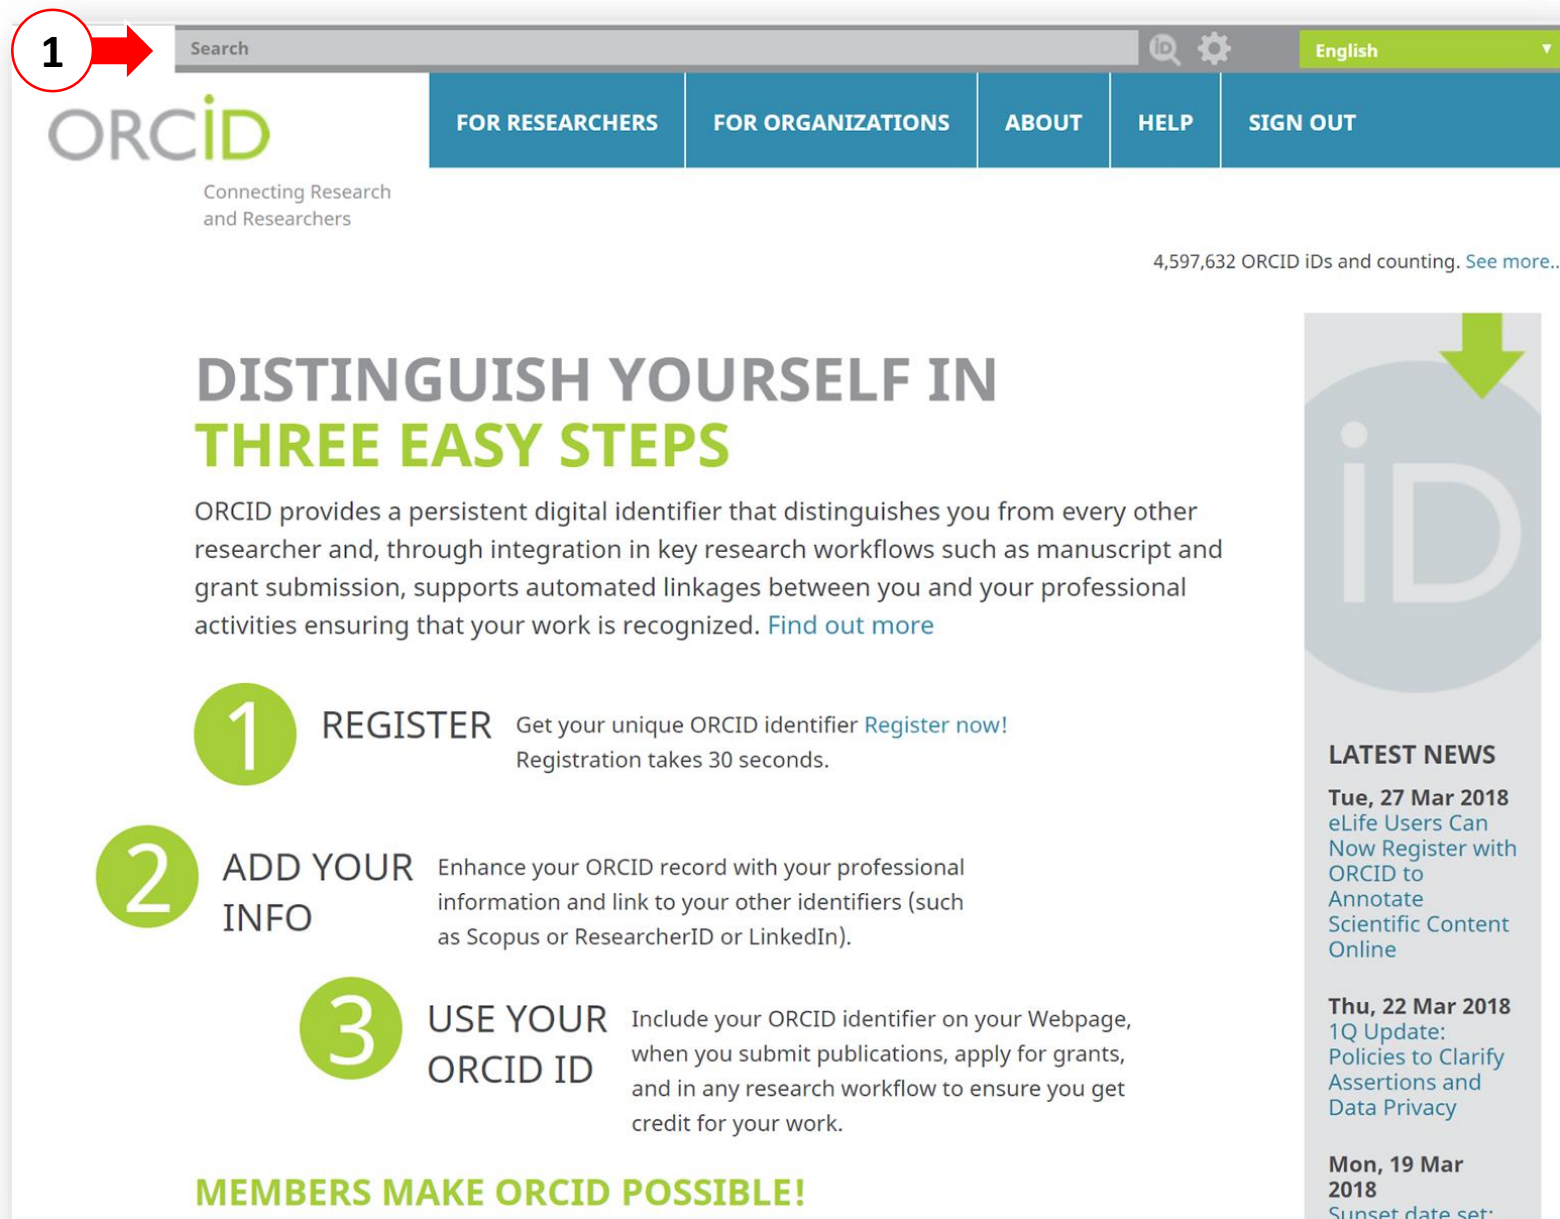

Optional.

2 → **+ Add another author**

Description * Required.

Version Optional. Mostly relevant for software and dataset uploads. Any string will be accepted, but semantically-versioned tag is recommended. See semver.org for more information on semantic versioning.

You can also search for anyone's ORCID here: <https://orcid.org/>

The screenshot shows the ORCID website homepage. A red circle with the number '1' and a red arrow points to the search bar at the top left. The search bar contains the text 'Search'. To the right of the search bar are icons for a magnifying glass, a gear, and a language dropdown menu set to 'English'. Below the search bar is a navigation bar with links: 'FOR RESEARCHERS', 'FOR ORGANIZATIONS', 'ABOUT', 'HELP', and 'SIGN OUT'. The ORCID logo is on the left, with the tagline 'Connecting Research and Researchers'. On the right, it says '4,597,632 ORCID iDs and counting. See more..'. The main content area features the heading 'DISTINGUISH YOURSELF IN THREE EASY STEPS' followed by a paragraph about ORCID's purpose and a link 'Find out more'. Below this are three numbered steps: 1. REGISTER (Get your unique ORCID identifier, Register now!, Registration takes 30 seconds.), 2. ADD YOUR INFO (Enhance your ORCID record with your professional information and link to your other identifiers (such as Scopus or ResearcherID or LinkedIn).), and 3. USE YOUR ORCID ID (Include your ORCID identifier on your Webpage, when you submit publications, apply for grants, and in any research workflow to ensure you get credit for your work.). On the right side, there is a large 'iD' logo with a green arrow pointing down, and a 'LATEST NEWS' section with three entries: 'Tue, 27 Mar 2018 eLife Users Can Now Register with ORCID to Annotate Scientific Content Online', 'Thu, 22 Mar 2018 1Q Update: Policies to Clarify Assertions and Data Privacy', and 'Mon, 19 Mar 2018 Sunset date set:'.

 Publication date *

2018-05-15

Required. Format: YYYY-MM-DD. In case your upload was already published elsewhere, please use the date of first publication.

3 →

 Title *

Required.

1 Indicate version (should match version in data subset name). 2 Add suitable keywords.

3 Choose 'Open Access' under 'Access right'. 4 Choose licensing option as 'Creative Commons Zero'

Required.

1 → **Version**

Optional. Mostly relevant for software and dataset uploads. Any string will be accepted, but semantically-versioned tag is recommended. See semver.org for more information on semantic versioning.

Language

e.g.: 'eng', 'fr' or 'Polish'

Optional. Primary language of the record. Start by typing the language's common name in English, or its ISO 639 code (two or three-letter code). See [ISO 639 language codes list](https://iso639-3.github.io/) for more information.

2 → **Keywords**

+ Add another keyword

Additional notes

Optional.

License required ▾

3 → **Access right ***

- ☒ Open Access
- ☐ Embargoed Access
- ☐ Restricted Access
- ☐ Closed Access

Required. Open access uploads have considerably higher visibility on Zenodo.

4 → **License ***

Creative Commons Zero - CC0 1.0

Required. Selected license applies to all of your files displayed on the top of the form. If you want to upload some of your files under different licenses, please do so in separate uploads. If you cannot find the license you're looking for, include a relevant LICENSE file in your record and choose one of the 'Other' licenses available ('Other (Open)', 'Other (Attribution)', etc.). The supported open licenses in the list are harvested from opendefinition.org. If you think that an open license is missing from the list, please [contact us](#).

Scroll down, fill all required fields (*), and **1** Start typing “SEAFOODtomorrow” in **Grants** and select the project;
If all required fields are filled, you can **2** click **Save**; and **3** **Publish**

Fundingrecommended ▾

Zenodo is integrated into reporting lines for research funded by the European Commission via [OpenAIRE](#). Specify grants which have funded your research, and we will let your funding agency know!

Grants

European Commission (EU)

1 →

Start typing a grant number, name or abbreviation...

×

Optional. OpenAIRE-supported projects only. For other funding acknowledgements, please use the *Additional Notes* field.
Note: a human Zenodo curator will need to validate your upload - you may experience a delay before it is available in OpenAIRE.
